

TLC Farm Spring Skillshare

Sunday, April 21, 2024 - 10am to 4pm

Let's DIY together! Land tending, emotional wellbeing, spiritual connection, hard skills and soft ones: let's share!

A skillshare is an open event in which we share skills -- of all kinds. We have prearranged several facilitators -- and we welcome you to let us know as soon as you know a skill you'd like to share. We've listed some of the offerings below, and more will come. (But you can also decide last minute, spur of the moment, what to share!)

At the beginning of each of three sessions, facilitators will announce their offering and where to gather. Between and around the sessions, there'll be lots of opportunity for mingling, games, and potluck lunch.

- **Gathering and welcoming** (10-10:30)
- **Session One** (10:30 - 12:00): **Foraging** for edible spring greens; **Ivy Basketry**; tending **Mason Bees**; Learn to make **Dandelion** fritters; **+your ideas** here!
- **Potluck lunch** (noon)
- **Session Two** (1:00 - 2:30p): Learn to **spin wool**; Making **herbal** simple syrup; **+your ideas** here!
- **Session Three** (2:30 - 4:00p): Spring-inspired **song** sharing; How to **fix** a thing (electrical outlet edition); **+your ideas** here!
